Dios le bendiga (God bless you) from Spain!
I am glad to be on the field in the beautiful country of Spain with missionaries Dennis and Amy Uecker. Over the past month, I have had the privilege to speak at a youth service at a local church, be a part of an amazing youth camp in the country of Italy, and tag along for a training session for the youth of Spain!

I was blessed to have the opportunity to minister to the youth of LPBCN, the local church I have been attending. I spoke on the topic of brokenness and the healing power of God!

Some of the RKR team was invited to preach and teach at Italy Youth Camp! The services were amazing, and the morning services included training sessions; the camp concluded with two baptisms!

I had the opportunity to accompany my missionary supervisory to a youth rally for youth in Amposta; the day consisted of several services where the Spirit of God moved! I also had the privilege to help with promotions for MUG, Ministerios Universitarios Globales.

We've also continued our campus ministry efforts at the University of Barcelona and have continued prayer walking around campus!

During this last month on my current AIM term, God has continued doing great things! Please continue praying for Spain, and thank you for all your support during my time here. I do plan to return to the field soon. Revival is here!
