The church in Guaimaca

Avivamiento en Honduras

Greetings from Honduras!

We are excited to share with you some wonderful highlights from our third month on the field. God is moving powerfully, and we are grateful for your continued prayers and support.

This month, we were delighted for Pastor Elias Limones to join us in Danlí for the dedication of a brand-new building that his church fully funded. It was a beautiful moment of celebration and a testament to the faith and sacrifice of the local body of believers. Later in the month, we traveled to Guaimaca, where Andrew ministered during a special combined worship service.

A Su Nombre! La Gloria!

The presence of God was strong, and many responded to the word that was preached, experiencing renewal and encouragement.

Our month concluded with a trip to La Esperanza, where Andrew was honored to preach the opening service of the Occidente District Convention. Pastor Alfredo Durán Jacó from Maryland followed with the second service. By the end of the day, 18 people had received the baptism of the Holy Ghost, and countless lives were touched and uplifted.

Thank you for standing with us in prayer and support. We are seeing firsthand the impact your partnership is making in Honduras. We are excited to see what God has in store in the months ahead!

Blessings,
