POSTCARD

Greetings from the Dominican Republic!

Two months have come and gone so fast. Every day is a privilege getting to see God work here! We are so thankful for the many opportunities to minister and work in this country.
¡Bendiciones!

Prayer Requests:

- The National Ministers Conference is taking place May 16th-18th. Pray for strength & guidance over each minister attending.
- The MGC (Missionary Gateway Center) begins the end of May. Continue to pray for the two of us as well as the other students, that we would step out boldly and be used in the Spirit.
- Continue to pray over the people of the Dominican, that hearts and minds would be open to receiving the Gospel.
