I Corinthians 16:9

Greetings from Helsinki, FI!

I arrived in Helsinki on April 1. The very first weekend the Alphins and I traveled to Forssa for service. We then made our way to Vaasa. It was a beautiful experience to return to the place my AIM involvement began. It was wonderful to witness what the Lord is doing in Vaasa. A church for His name is flourishing. Jesus is doing a great work in many areas around this country.

As I sat reflecting what to write, I realized the Lord has brought me full circle from where I started in 2023. Words fail to express what I have gained from being involved in the work that is happening in Finland and Iceland. With the Lord's help He has allowed me to be a part of souls experiencing salvation through sharing the Gospel. What an eye opener to experience the Lord's words being carried out by so many that serve around our world, "Go into all the world and preach the gospel".

My AIM journey will end in May. The Lord is switching up my direction and I will return to North Dakota. If the Lord wills I plan to apply to be a "Global Minister" through the UPCI Global Missions department. This will allow me to be involved on the mission field for short-term needs. The journey with Jesus never disappoints!

To all my faithful supporters, to those who have given, prayed and encouraged, Thank You!

It has been my honor to serve!

If you wish to support an AIMER in the country of Iceland, my good friend Cindy Smith is in need of partners.

AIM # #142984.

I am grateful for all the opportunities I've had to engage in the work while in Iceland and Finland.. From prayer walking, teaching Bible studies, sharing testimonies, preaching the Word, and helping lead prayer for the annual Unite Conference. The AIM program has provided me with valuable experiences. It has strengthened my faith.

I hope you enjoy the visual sampling from my time on the field. To God be all the Glory!!
