

Pio's in Polynesia

APRIL 2025

As we come to the end of April, we are just so amazed not only of the beauty of the Island and its people but of the goodness of God. We are truly grateful to the Lord for the open doors and the people we have met here.

Please continue to remember them in your prayers.

Without the support of so many churches and saints of God, we would never have ever been able to come. SO, on behalf of myself, my family and the church here, we just want to thank you once again!

Associate Missionaries (AMP) to French Polynesia

We are often reminded of God's promises, as we gaze upon the rainbow's that we see here after the rains. Tahiti is often on people's "bucket list" of places they want to see. Indeed, there is much beauty to behold but we have found it is not the reality of how the people that live here live. There is so much suffering going on behind closed doors. Poverty, drugs and alcohol have destroyed many families and individuals. Please remember French Polynesia in your prayers.

Easter Sunday, we had a wonderful service with a great moving of the Spirit, with those in attendance feeling God's presence sweeping through the room, moving them to tears.

Sis. Pio on a visit to the farm!

Many thanks to Marry for her generosity and friendship.

They picked rambutans, avocados, lancones and so much more!

Thank you, Lord, for your provisions!
