GRAND RIVIERE

During our time at Grand Rivière Church, we experienced a powerful move of God as we preached His Word with passion and purpose. As our home church for the majority of our AIM term, Grand Rivière became a place of growth, connection, and deep spiritual impact. We connected deeply with the young people, building relationships and encouraging them in their faith journey. We also spent time in prayer with members of the congregation, witnessing God's presence bringing comfort, healing, and hope. It was a truly impactful experience, and we have felt the Spirit of God moving mightily throughout the church community. We look forward to what the Lord will continue to do through our AIM time in this church

VACOAS

At Vacoas Church, we have been actively involved in prayer and evangelism, participating in numerous prayer meetings in preparation for special services. We spent time going door to door, sharing the Gospel and inviting people to encounter the love of God, while also engaging in prayer walks throughout the city of Vacoas. These efforts laid a strong spiritual foundation for what was to come. During our special services, we witnessed God's love poured out in a powerful way, touching many lives and drawing hearts closer to Him. It has been a blessing to see the city impacted by His presence through the evangelistic services in Vacoas. Our faith was challenged and grown through this wonderful time in the Lord.

YOUTH SERVICE

During a powerful youth service, Lexi shared a message about taking our next steps in Jesus and learning to trust Him fully in every area of our lives. The church came together in unity, praying over the youth and speaking words of encouragement, urging them to follow the unique path that Jesus has set before them. The response from the young people was sincere and moving, as many stepped forward with open hearts, ready to pursue God's call. Since then, we've seen continued growth and commitment as they press forward in their faith and purpose.

WORKERS MEETING

We had a meaningful and uplifting meeting with the dedicated workers of Grand Rivière Church, where Pastor Marie Josée shared a powerful word of encouragement to strengthen and inspire those serving in ministry. Following her message, we took time to personally pray over each worker, lifting up their specific needs and asking God to refresh and empower them in their calling. John also shared a brief but impactful word, reminding everyone that we are brothers and sisters in Christ, united in purpose, and encouraged the team to remain faithful and steadfast in their work for the Lord. It was a beautiful time of unity, encouragement, and spiritual renewal.

SUNDAY SCHOOL

John and Lexi had the opportunity to sit in on a Sunday school class, where they witnessed the children joyfully engaging in learning more about God. The class was filled with energy as the kids learned new songs that helped reinforce their faith in a fun and memorable way. They also explored the life of Moses, discovering how God used him in powerful ways despite his challenges. It was a blessing to see the children growing in their understanding of Scripture and building a foundation of faith.
