

**April 2025**

April was a quiet month

With it being spring break or Easter Holiday as they call it in the UK. Several families were out enjoying their vacation.

Even thou we may have been short in numbers; we learned of the importance of the Armor of God and had a sweet move of God in our alter calls.

The following two weeks HBC was on spring break fewer daily chores but more preaching for me to do.

Preached a mid-week service on Overcoming Adversity. Lives were touched and encouraged by the word of God.

We had a great turn out for Easter Sunday, with a combined services with the Spanish church. Everyone got to enjoy the afternoon with their families.

God is so GOOD

Thankful for my family that is in Glasgow as well
