Special Services

We are so thankful that this month we had the pleasure of being a part of a Sunday school revival service in the central region. Much preparation was done in canvassing the neighborhoods by the local ministry team to invite visiting families to this special service. As a result, many guests were in attendance and were immediately greeted by the whole team and made to feel welcome.

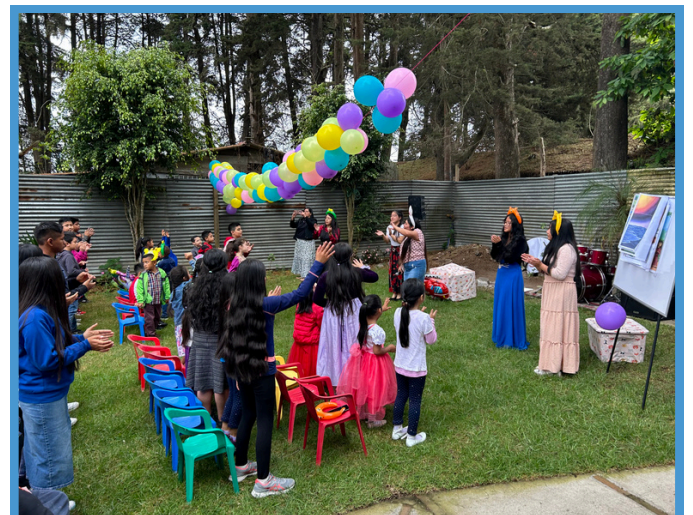

We had a powerful service led by the Sunday school team followed by an amazing altar call.

Projects

Revival is here in Guatemala, and with that comes fast growth. An example of growth is the church in the Pinula region.

It can get so hot in the sanctuary that to insure no one suffers heat exhaustion they have their main Sunday service at 5PM.

Despite this, they're seeing their numbers skyrocket! They have begun plans to build a new level on the building for offices and ministerial quarters. As well as an extension for a new Sunday school and youth classrooms.

The two greatest needs right now are our prayers and financial assistants.

If this project interest you, please reach out to Bro. Luke Campbell (lcampbell@iag.email) for more information.

Mayan Culture

Guatemala has a rich history and heritage. Many trace their families to one of the 20 Mayan tribes in Guatemala and speak one of the 21 Mayan dialects. You can determine different Mayan tribes by the hand-woven clothes they wear. Each tribe has a specific weave style that marks their heritage and to distinguish themselves from the other tribes.

We were thankful for a visit from our parents and coming along with us to see the Mayan ruins.
