

# The Emersons in Honduras

Gloria a Dios!

## Para la Gloria de Dios!

Greetings from Honduras!

This past month has been a powerful time of ministry, travel, and spiritual renewal. At the beginning of the month, we had the joy of traveling extensively, encouraging and lifting up the saints in **Siguetepeque** and **Comayagua** during revival services. It was a blessing to witness the hunger and passion for the things of God in these communities.

We then made our way to **Los Cedros**, where we joined the wonderful congregation of **Ríos de Agua Viva** to celebrate their **2-year church anniversary**. It was a beautiful time of celebration and reflection on God's faithfulness and the growth of His church in this region.

Comayagua

## Con Dios todo es posible!

In **Tegucigalpa**, Andrew had the incredible opportunity to minister to the young people at a **district youth rally** about the Treasure of the Kingdom of God. It was truly a tremendous time in God's presence. We are also thanking God for the privilege to share the Gospel at a **rehabilitation center**, where **over 60 recovering addicts** heard the message of hope and redemption through Jesus Christ.

We closed out the month in **Catacamas** at the **Northeast District Convention**, where the Spirit of God was poured out in a powerful way. **Fourteen people received the gift of the Holy Ghost, one was baptized in Jesus' name**, and many more were renewed and refreshed in the presence of the Lord.

Thank you for your continued prayers and support. The harvest in Honduras is truly ripe, and we are humbled to be a small part of what God is doing here.

With love and gratitude,

The Emersons
