## May 2025

Global Council Osaka, Japan  
April 2025

### WHAT'S NEW...

May was an action packed month! In the beginning of the month Naomi flew back to Canada, where she taught at and participated in the first Sound Mind Mental Health Summit held by the Center for Apostolic Counseling, of which she is a member. She, along with her parents, drove the 18 hours from Windsor, ON to Monroe, LA. She also had the opportunity to preach at the Pentecostals of Windsor, our home church before we left for Japan, for Mother's Day. This meant that Caleb was holding the fort down here in Japan for almost 2 weeks!

Of course the van decided to break down. We are so grateful to the church family which helped us getting the van repaired and a loaner vehicle to us in that time. We thank God that we were able to get the van fixed in record time!

May also consisted of two very special birthdays here; Charlie (11) and Claire (5)! Thank you to everyone who wished them a very happy birthday.

### PRAYER REQUESTS | PRAISE REPORTS

We are thanking God for 2 people receiving the gift of the Holy Ghost this month! Pray for revival to come to Japan, we believe that it is Japan's time to see a great outpouring of the Holy Ghost.

We are grateful for the group of AYCers that arrived safely at the end of May. Pray God would call young people to this harvest through this trip.
