

Monthly Newsletter

Here's what has happened in the last month and what's to come!

Welcome to our Reaching Estonia newsletter! We are thrilled to share with you the latest developments in our mission to share the gospel.

Firstly, we would like to express our gratitude to all of our donors and volunteers who have continued to support us. Your generosity and dedication has allowed us to keep our programs running smoothly and effectively.

In regards to our recent activities, we spent our first month living in Tallinn. During the month of May, we have had the opportunity to teach to the youth on the Exodus, Tabernacle, Exile, Return to Jerusalem, Jesus' Life, and the Plan of Salvation..

We were able to enjoy our once a month service in Narva. There were 3 people who attended outside of the church leadership. Please continue to pray for people to open their hearts to the Lord.

On May 11th, a lady in our Tallinn church was baptized in the name of Jesus and received the gift of the Holy Ghost. This has been 13 years in the making! We are so thankful for Sis. Ingunn Turner's dedication and her passion for sharing the gospel with her.

We held our service in Tartu on May 25th. It was a blessed time, and we thank God for the evident moving of His Spirit among us. Starting in June, we will be living in Tartu full time. We have appreciated our time in Tallinn, but we are super excited to see what God has in store for Tartu as this work will be happening on a weekly basis.

Blessings to the churches as you have enabled us to be here in Estonia. No matter where you are, we are working together to make Jesus known.
