

Pio's in French Polynesia

MAY 2025

Praising God for His goodness! This month, our first grandchild was born, and Sis. Pio took the time to go back to Canada and meet little Barrington. She got to spend time with our four boys on Mother's Day also! David also returned to Canada as he had to undergo some testing for his Crohn's disease, but everything turned out fine, so we thank the Lord for this good news. David will remain behind in Canada until our return in August.

Without the support of so many churches and saints of God, we would never have ever been able to come, so on behalf of myself, my family and the church here, we just want to say, thank you once again!

Welcome to our first grandchild, Barrington! Sis. Pio got the privilege to meet and hold him on Mother's Day! They all attended church for his first time. We are so excited and thrilled to be entering into this new phase of our lives! He might get spoiled!

We are so proud of our son, David, who has been a big help to the ministry here with the media and Sunday School. He will be greatly missed here by all. We held a going away party for him and many came to the airport at 2 AM to say their goodbyes.

Sis. Pio got to spend time with our four boys on Mother's Day. Thanking the Lord for our children who serve the Lord any way they can! She also got to spend some time with her mother, sister and family.

Enjoying a fresh cup of Tim Horton's coffee after 8 months! She's been dreaming about it!

I missed them while they were gone but we still had church! Thankful for the presence of the Lord. After a 35-hour trip she was home! So thankful to those who helped cover some of the costs of the trip.
