### MISSION REPORT OVERVIEW

#### OVERVIEW LESOTHO:

#### BIBLE SCHOOL: PERIMETER WALL NEARLY COMPLETED

#### GOD IS MOVING!

We're so thankful for the Longs, who are spending a few weeks with us and will be here until the beginning of May. They've been doing an incredible job helping lead the team that's building the perimeter wall for the Bible school. Even with all the rain and a few material delays, the wall is now almost finished—praise God!

Most of the men working with us are from the very village where the Bible school is being built. It's been amazing to witness their hunger for God growing day by day. We're praying that every one of them will join us for a special church service at the beginning of May.

God is truly at work here in Lesotho, and we're full of hope and excitement for the harvest of souls we believe is coming.

#### THANKFUL

Your support plays a **vital role** in advancing God's kingdom here in Lesotho. We deeply appreciate your pledge and ongoing commitment!

May God bless you abundantly, strengthen you, and grant you favour in every area of your life. May He continue to meet all your needs according to His glorious riches and fill your heart with peace in Jesus' Name!
