OVERVIEW LESOTHO:

BIBLE SCHOOL: PLANNING PHASE II 1 BAPTIZED IN JESUS NAME

BIBLE SCHOOL SITE

Exciting times in Lesotho! We finally completed the perimeter wall at the Bible school site. What is left to do is to install the gates at the front and back of the property, as well as install razor wire.

We are preparing for the project's next phase, building the foundation. If you would like to be part of this project, please reach out to Sister Karen Poole (poole4missions@gmail.com).

REVIVAL IN THE CAPITAL CITY

God is moving in the workers' hearts. At the beginning of May, 18 of 23 men working at the Bible school site came to church. Many were touched by God's power and expressed a desire to learn more. On that same Sunday, one of our

visitors, invited by our bible school student, was baptized in Jesus' Name! God is answering our prayers. He is sending men who desire to serve God.
