May 2025

The month of May was filled with special church events. We had a Confraternidad de Jóvenes (a special youth day) and a Fiesta de Pentecostés (Pentecost Event). Powerful moves of God during the altar times with adults and children feeling the presence of God and receiving the Holy Ghost. Please see the pictures on the next few pages!

As well, we had a special work day at the La Comunidad de Fe church where we painted the church and did some cleaning!
