The first weeks we were involved with the RKR Training Center where we learned about Prayer Walks, intercession, teaching Bible studies in another language, and even more! We also had the chance to listen to the Harrods, Bro Zimmerman, and Bro Poitras about the vision and work of God.

We have had the privilege of also speaking to the leaders of the International Pentecostal Church and also preaching to the main church. God moved on the heart of the church and He healed lives. Glory to God!

At the end of the month, we traveled to Sevilla to assist the amazing work of the Zenobias! We were able to explore the beautiful city and then also have an outreach where we assisted with passing out waters and bubbles for the kids. On that Sunday, Jean testified and Josh preached. God did an amazing work as the young people were ministered to and the church as well. God is doing amazing things in Sevilla!
