JUNE 2025

ONE YEAR UPDATE

It's hard to believe a full year has already passed here in Barcelona. We're deeply thankful for all that we've been able to experience and be a part of. Over the past year, we've had the privilege of serving through preaching, teaching, home groups, Sunday School, evangelism, and missions training.

We've witnessed God confirm His Word through signs and wonders—people have been baptized in the name of Jesus, filled with the Holy Spirit, and we've received reports of miracles and healings. To God be the glory! Your prayers and support are making a real difference—Thank you for praying. Thank you for giving. Eternity will tell the impact.

Global Student Ministries (GSM)

1. Develop resources and provide training for student evangelism.
2. Provide fellowship, support, and training to our students while they attend school.

BJ was recently appointed by the European regional leaders to serve as the regional secretary for GSM. GSM is a ministry of Global Missions focused on reaching university students with the Gospel. GSM has seen lives transformed, ministers raised up, and unreached nations impacted through returning international students. GSM exists to empower student outreach, establish lasting ministry structures, and support church planting efforts across Europe and beyond.

Youth Missions Training

This month, we concluded our youth missions training program with a final in-person session in District 3 (Southern Spain). It was inspiring to witness the passion these young people have to see their nation reached with the Gospel. We ended the session with pastors and youth leaders gathered in prayer over a map, interceding for the unreached cities in their district.

Happy Birthday Micah

"Micah turned 4 on June 18, and we are so proud of the young man he's becoming. He recently finished his first year of school and has adapted beautifully. He's also picked up Spanish remarkably quickly!"

Bro. and Sis. Harrod, our Regional Directors, visited the RKR Training Center to share their missionary journey and vision for the Europe region. Their time concluded with an engaging Q&A session with the STMers. We are so grateful for their time, wisdom, and the valuable insights they imparted.

Bro. Poitras, who serves as Director of Education and STM, joined us online to share his personal missions journey along with some key principles for missions and ministry. We wrapped up with a great Q&A session with the STMers. We deeply appreciate the time and wisdom he invested.

RKR Training

What an exciting milestone—our first official RKR Training is happening in our very own Training Center building in Gracia! This eight-week, Spirit-led program is designed to equip STMers with key biblical and practical principles for effective ministry. We're learning not just information—but how to partner with the heart of God for His global mission.

Both BJ and Camilla contributed in the teaching, along with other RKR team members, providing real-world insight and encouragement to this summer's STMers. These sessions have been full of rich fellowship, Spirit-filled teaching, and meaningful moments of growth. Watching how these truths are transforming lives—our own included—has been incredibly rewarding.

A particularly impactful moment came during a session focused on the question, "Who is my neighbor?" where we explored the people groups surrounding us and ended in a powerful time of intercession for the nations—an experience that underscored the global heartbeat of the Gospel.

Prayer Requests

- Pray for us as we have applied for our visa renewal and are awaiting approval.
- Pray for the STMers here in RKR training, that God will impart in them what is needed for their next steps.
- Pray for our Europe region. The harvest is ready and God is preparing laborers.

WAYS TO SUPPORT

- **PRAY:** We covet your prayers!
