## MGC

We are so thankful that this month we had the pleasure of being a part of MGC (Missionary Gateway Center). Hosted in the Dominican Republic by Bro. and Sis. Tingley. MGC is a program for all AIMers located in the Central American region. The classes are wonderfully orchestrated to teach and empower young ministers for the future. Classes consist of topics such as spiritual warfare, altar work in a Spanish-speaking country, and many more.

Many AIMers are located on site in the DR, but it was also available for AIMers in their separate field.

# Music Lessons

We've been having a wonderful time providing music lessons for Asher Campbell.

Asher loves to sing in church and is a great worshiper. We predict he will be an amazing worship leader. He is well on his way.

# Ministry Fellowship

Guatemala is blessed to have countless amazing ministers passionate about God's kingdom. It has been our greatest pleasure working and fellowshiping with each of them.

# Conference

The conference for the central region of Guatemala went with great success. The services were very powerful, and you could feel the Holy Ghost in the room.

We had a final count of 44 baptisms and 30 filled with the Holy Ghost.
