# BIANCA BAPTISTE

GLOBAL STUDENT MINISTRIES  
MEDITERRANEAN

## WHERE I'VE BEEN

The Missionaries Sam and Zenobia are doing a wonderful work in the city of Seville. Grateful for the opportunity they gave for me to come to Seville and connect with students at the University of Seville.

## WHAT GOD IS DOING:

So grateful for the students that have begun to go to the church in Malta. These students are hungry for something real! One campus can have global impact!

## PRAYER REQUESTS

- That God would continue to lead us to hungry hearts on campuses across Spain and the Mediterranean.
- That I would remain sensitive to the voice of God in both leadership and daily ministry.
- That God would move powerfully during the upcoming RKR training – may those attending encounter Him deeply and be equipped for lasting impact.
