

Landing & Launching

June was our first month in the beautiful country of Benin! Only a few days after arriving, we were able to attend the West African Sub Regional conference. It took place in the neighboring country of Togo (attendees pictured below). God moved mightily and we were blessed by fellowship of the missionaries. We were in services from 8am to about 5:30pm for 3 days straight! Needless to say, we were exhausted but God strengthened and encouraged us. In particular, the message spoken by Bro. Randy Adams, “The Unknown Paths for the Servant of God” was timely and ministered deeply to us! We are thankful to have participated in such a wonderful event.

Arriving back in Benin after the conference, things did not slow down. We jumped into services, bible school classes, events, and fellowship. All this whilst getting settled into our new home. We have been starting our language studies by sitting in on Bible classes trying to pick up what we can, doing Duolingo, and June 2 we begin lessons with a tutor. We know God will help us learn the language so we can be more effective where He has placed us.

This little girl to the left received the precious gift of the Holy Ghost on June 22. One week later, Micah preached at the church in Calavie. The church had just completed 3 days of prayer and fasting. The people were very receptive to the Word! Micah spoke on “The God Who Answers By Fire” pulling from 1 Kings 18. His main point focused on the necessity of the Holy Ghost.

AND IT SHALL
COME TO PASS
AFTERWARD,
THAT I WILL POUR
OUT MY SPIRIT
UPON ALL FLESH
