Welcome to the June Newsletter!

Yassas (γεια σας),

It has been a whirlwind of a month since I have landed back in the beautiful and vibrant city of Athens. I was here last summer with the lovely Moreno family and God had placed a burden on my heart to return again this summer! The Moreno's have been incredibly kind and have allowed me to assist in many different areas of ministry here at The Pentecostals of Athens UPCI.

With the guidance of the Moreno family these areas have been not only a opportunity to expand the kingdom of God but also a safe place for me to grow and stretch beyond my normal giftings. In these areas of ministry I have been given the chance to teach bible studies, lead worship on Wednesday's, brainstorm and execute ideas for a kids camp that was hosted by the POA. God truly has had His hand in every aspect of these moments. I have been truly blessed to be a part of this ever growing effort to exemplify Mark 16:15 **"Go ye into all the world, and preach the gospel to every creature"**.
