REPORT FROM THE FIELD

GREETINGS IN THE WONDERFUL NAME OF JESUS!

On May 1st, we arrived in France to begin our God appointed mission to reach the souls of western France. Nantes is the primary city of focus where we will be starting a church, but we are also targeting the entire region of Pays de la Loire. The need is great, but we serve a mighty God who is able to do EXCEEDING ABUNDANTLY above all that we can ask or think! Most people in this region do not know the oneness message, and some haven't even heard of the gospel. We believe God is working on the hearts of men and women whom He has already called by His name to be a part of His glorious Kingdom. We are excited for the church God has already ordained in this region! We are asking you to continue holding us up in prayer so that doors would open, that God would lead us to hungry people and that we would find favor with city officials.

Once again we thank you for your prayers and financial support!

Blessings!

The Ciullas

THIS MONTH:

- We had prayer walks in several cities across the region of Pays de la Loire.
- We had the opportunity to teach Bible studies to several people and shared the message of salvation.
- We went for a prayer walk in Strasbourg, which is in Eastern France, inviting God's presence to move upon the hearts of the people.
- We had a church service in a home in Mulhouse (Eastern France) where we had a gathering of about 20 people. The Holy Ghost moved in our midst and God manifested His presence! There will be two baptisms in a river.
