GREETINGS IN THE WONDERFUL NAME OF JESUS!

The month of June has been a month of open doors and connections.

We began by celebrating Pentecost Sunday in Centre Évangélique Le Rocher in Melun, where we were privileged to minister. One man was baptized. It was a blessed weekend!

We also continued to do prayer walks and street evangelism in Nantes. Right after one of our street evangelisms, God placed a young man in our path named Alex who had been given only two weeks to live because of a terminal disease. Four weeks later, he was still alive. Praise the Lord! We know God kept him! As we shared the Gospel with him, he expressed a deep hunger for God and a desire to be baptized in Jesus' name. Two days after our initial meeting, we had the privilege of baptizing him in the wonderful name of Jesus! We are so thankful for this God ordained encounter! We know there are many more souls just like Alex who are hurting and in need of salvation. God is working in the hearts of the people of Nantes and of the entire region of Pays de La Loire! Please continue to uphold us and our children in prayer. Pray also for God to continue to draw souls who are hungry for Him! Pray for favor and open doors with city officials.

Blessings in Jesus' name!
