

# JUNE NEWSLETTER

June was a pretty hectic month. With the AYC trip happening, and NAYC getting closer, this month flew by.

AYC had some good moments of prayer, devotion, worship, outreach, and fellowship.

We hope to see some of the AYCers back again in the future as AIMers. You never know who will catch a burden for the nation and act on it. Every trip there are a few that feel like you will definitely see back again, and those assumptions are not always right. And there are always some that you don't expect, that end up applying for AIM. But I know some seeds were sown into their hearts, and we'll see what the future has in store for this group.

We'll see some of them again during NAYC!

After the AYC group flew out, the remainder of the team that went mainland, stayed for a couple more days to relax and sightsee. Bro. Hosmer stayed later and helped teach some lessons with the Next Steps group. It was nice to see more of Japan that I hadn't been to before. I really enjoyed exploring Yokohama and the surrounding areas.

At Sound of Praise, we had two holy ghost infillings in the month of June.

July is finally here and so our trip to the States for NAYC is coming soon! We're all so excited and grateful for the overwhelming support. We're expecting God to work in a mighty way during this conference, and for our youth to come back to Okinawa on fire for God, and spread that fire across the nation.

God bless!

The Youth & Sunday School bought a cake for the Hernandez family's last service. Their family was a blessing & they'll be missed.

Bro. Pastora was one of our two speakers for our local youth service. We're grateful God's presence fell strongly near the end of altar call.
