### WHAT'S NEW...

The first week of June was packed full of activities with an amazing group of AYCers! They were all a tremendous blessing, and we had an opportunity to show them Japan. We did music evangelism Friday night, the AYCers sang amazingly. There were many young people boldly handing out tracts to people passing by. Our children and their friends saw that and began handing out tracts too! So grateful for young people who set such a good example for those younger than them.

June also brought Father's Day celebrations, we had a lot of first time visitors that day! It was followed by a tremendous potluck and time of fellowship.

We had a men's fellowship day the following week which was a great time. Our son Charlie volunteered to teach Sunday school! He planned out what he would say and had games and a craft! We are so proud of him and his desire to teach others about Jesus!

We also had a first time guest receive the Holy Ghost!

### PRAYER REQUESTS | PRAISE REPORTS

Please keep the JUPC general conference in your prayers. It is happening mid-July in Fuchu, Japan. Caleb will be traveling to that solo this year. We are praying for a mighty move of God and that His will would be done in the minister's sessions.
