

ALICIA & BAPTISTE IN PARIS

Conviction, Calling, and Impartation

The month of June has been a powerful turning point in our ministry journey. PCC hosted the REACH Conference and it was a great success! We were all deeply stirred and empowered to do more – to love louder, go further, and reach Paris with even greater intention and faith.

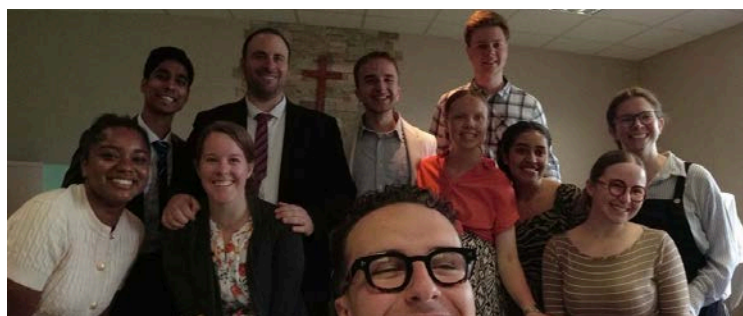

Right after the conference, we participated in a community evangelism event with worship, balloon animals and food. It was beautiful to watch people from our church boldly pray for others in the street for the very first time. Faith was activated, and something shifted in the spirit.

We're Launching a New Campus!

We're excited to share that starting September 2025, Paris Centre Church will launch its first satellite campus in the 17th arrondissement—and Baptiste and I are honored to serve as campus pastors for this new chapter.

We've secured a space that seats 35–90 people, and preparations are already underway. This is a big step toward PCC's vision of 20 campuses across Paris, and we're deeply thankful for the trust and support of the Carsons and Brochus as we help pioneer the way forward.

This next season will stretch us—but we are full of faith, ready to serve, and truly excited for what's ahead!

We could not do this without your prayers, support, and generosity. Whether you've supported financially, interceded in prayer, or simply cheered us on—thank you. Your partnership allows us to say "yes" to the call.
