A day in Andorra

In April, we traveled to the small country of Andorra to help lead worship for a Sunday service! Judah even took up the offering! We're believing for the Gospel to keep spreading in Andorra, and ready to see how God keeps connecting those who are hungry for more!

Bass Lessons

Every Saturday throughout April, Britain gave bass lessons to a few students from the church. It was his first time giving a course!

Amazing Services!

Britain preached a few times in April, and many were baptized and received the Holy Ghost this month!

We got an Apartment!

After searching for 6 weeks, God blessed us with the perfect place to live; centrally located, easy access to transit, and everything we need in a quiet neighborhood.

RKR Begins

Missions training started in May. It is 5-weeks of spirit-led training, with subjects like spiritual warfare, leadership, unreached people groups and many more.

Pray With Us

Our Family: For good health, continued protection, and wisdom in everything we do.
