Our Latest News

Welcome back to our Reaching Estonia newsletter! It brings us great joy to share some of the recent ways we've seen positive change unfold through our work in the nation of Estonia.

Firstly, we would like to share that we have our apartment in Tartu, have started our weekly services, and Midweek Bible Study! Right now, we are doing everything we can to be involved in the community. Jesse and I are going to classes and community groups throughout Tartu. This was advised by an Estonian as one of the best ways to meet people.

We are doing focused prayer walks every Tuesday and Thursday; we are praying that God would give grace and mercy towards the people here as He does for us daily. We are praying that their hearts would be softened to the Word of God.

Fast Facts

The longer we've been in Estonia, the more deeply we've felt the weight of the spiritual oppression and the invisible strongholds affecting so many lives. Here are some numbers:

- 31% of women struggle with depression.
- 25% of women struggle with anxiety
- 44% of women struggle with a sleeping disorder.
- 34% men struggle with alcohol addiction versus the 17% of women.

On Pentecost Sunday, we were able to bring people from across the Estonian churches to Tallinn to celebrate the birth of the church. We had a mighty move of God and saw many lives impacted.

June 26th, we had our first Midweek Service in Tartu by reading Mark 1 and 2. A wonderful time of good conversation and studying the Word.

We enjoyed a Midsummer Cookout with the Tallinn Church at the Turner's House. It was a great time of fun and fellowship.

Finally, we are excited to have our Tartu Church services every Sunday, which started on June 15th. God has been ordering and directing our steps as we progress towards the goals He has laid on our hearts.

AMTF

June 5-6 we were able to enjoy a time of gathering together with Northern Europe Missionaries for Area Missionary Training and Fellowship (AMTF) in Tallinn. Bro. Tim Gaddy did a wonderful job teaching to us on thriving in ministry and leadership; Sis. Stacy Gaddy spoke to the women on Joy; Bro. Nathan Harrod spoke on Mentoring the Next Generation.

This time allowed for us to gain wisdom, knowledge, and understanding as we continue to plant seed and reap the harvest the Lord has for us.
