DIOS LE BENDIGA A TODOS!

Praise the Lord everyone! I cannot believe that I have already spent over a month in the great city of Santiago in the Dominican Republic! God has been moving in such a powerful way within this beautiful country. I am so glad that the Lord has allowed me to be apart of the revival that is happening here! God has been filling many people with His Spirit, and it is evident that He is not finished with what He has started. The time I have spent in the Dominican Republic has been a great blessing. I am believing and looking forward to seeing the continued work of God's power in this country!
