JUNE 2025 NEWSLETTER | TOM & BECKY

Tom preached the Pentecost Sunday and Father's Day services at Mt. Zion in Lapu Lapu. On Pentecost Sunday, Jerry received the Holy Ghost, and on Father's Day, Lodelyn was baptized.

HEAVEN REJOICES AGAIN

Another exciting month in Deaf Ministry. Eight Deaf received the Holy Ghost and 15 Deaf and one hearing individual were baptized in the name of Jesus Christ!

ILOILO DEAF REVIVAL

Ruby has made a significant impact in Iloilo, supporting Deaf individuals during WVD youth camp and Pentecost Sunday services, where one Deaf girl was baptized and 4 received the Holy Ghost. We invited Mickey, a Filipino interpreter friend from California, to join us at Vineyard UPC Iloilo. Tom preached and Mickey and Ruby interpreted for the 11 Deaf attendees. Seven were baptized and one received the Holy Ghost!

JOYFUL DEAF GATHERING

MT. Zion UPC planned a special Deaf celebration on Sunday with a party for the Deaf after service. Seventeen Deaf attended. Tom was asked to preach that morning and after service our neighbor (hearing) and three Deaf were baptized!!

DEAF HEARTS AWAKEN

Jhoy, an interpreter from Manila, moved with her husband to Isabela, Negros Occidental to start a church. She met a young Deaf girl at UPC Tabunan and interpreted for her during a service in which her husband preached. Within weeks, the girl was baptized.

In the northern Philippines, Gene Ruth interpreted for a Deaf girl at the NELD district youth camp, where the girl received the Holy Ghost. Later, a youth inquired about learning FSL to better communicate with her Deaf parents.

Last year, Becky, Jane, and I conducted a Deaf Awareness Seminar in General Santos, Mindanao. Some of the youths took part in online FSL lessons. However, no church started a Deaf Ministry. We mentioned to Pastor Romero we were looking for someone to work in Deaf Ministry like Ruby. Andrei is now in General Santos until college classes start in September and working with local churches to help them establish a Deaf Evangelism Ministry.
