

John 4:35 Do you not say, 'There are yet four months, then comes the harvest'? Look, I tell you, lift up your eyes, and see that the fields are white for harvest.

### L'oeuvre

This month, God enabled us to strengthen the Bible school (led by Colleen Carter & Pastor Désiré) through evangelism, preaching, midweek teachings, and home Bible groups. Praise Him!

We had the joy of preaching and teaching at the Bible school in Port-Gentil, Gabon's economic capital (under the leadership of Sister Scola). God demonstrated His power by confirming His Word: the sick were healed, and many saw their faith renewed!

Additionally, Sunday worship services have now begun in Port-Gentil, marking a new season of growth. Glory to God for these open doors and encouraging testimonies!

Join us in prayer for Gabon: The harvest is ripe, and the fields are already white for harvest!

Thank you from the bottom of our hearts for your faithful intercession and precious support. May God bless you abundantly!
