

MISSION UPDATE

THE MCGEE FAMILY

JUNE 2025

BARCELONA

The kids and I arrived in Barcelona on June 2nd and spent the rest of the week getting acclimated, learning the public transport system, and exploring the Gracia neighborhood. We are assigned to the International church under the leadership of Pastors Manuel and Laura Monge. Great things are happening there. Four people were baptized one Thursday night and at least one received the Holy Ghost in the water!

RKR CENTER

Classes in the RKR Training Center began on June 10th. Bro and Sis Uecker have put together an excellent lineup of speakers and topics. Things such as cross-cultural communication, how to teach a Bible study to someone in another language, and working with an interpreter, just to name a few. We are becoming more equipped to reach our world!

LYON/GENEVA

At the end of the month, we traveled to beautiful Lyon, France and spent four days with the Cooney family. We did a prayer walk on Friday and outreach on Saturday. On Sunday, we had service in the Cooney home where there was a first-time visitor! Then, the Cooney's drove us to Switzerland to be in service with the Pentecostals of Geneva and AYC. What an awesome time we had!

Thank you for your support! Please continue covering us in prayer!
