

Pio's in French Polynesia

JUNE 2025

As we drove around the island last week, we were amazed by the beauty but as you look beyond the picturesque mountains to one side and the ocean on the other side, our thoughts go to the lost souls of this island. Marketers talk about this being paradise on earth, but some of the people here are hurting, addicted to drugs, from broken homes and this is why the Lord has brought us here to reach them for such a time as this.

With your support and prayers, we would never have ever been able to come, so on behalf of myself, my family and the church here, we just want to say once again, we love and appreciate you all!

Meet some of the folks who bless us and the work here!

This is Lito, who owns the restaurant and allows us to use it on Sunday mornings to hold our weekly services. It has been such a blessing. He arrived forty years ago here in Tahiti and married a Tahitian Chinese lady. They adopted and raised two children. Many times, when he sees and greets my wife, he says Hallelujah is here! He also contributes to our weekly fellowship meals after church. Pray with us that the Lord continue to bless him, his family and his business.

On the far-right picture is Dum-Dum. He blesses us with many fruits weekly when we pick him up for services. He arrived also, over 40 years ago and married a Tahitian lady. She has since passed but he has children and grandchildren here. He always brings a bottle of Coke Zero for me every Sunday to enjoy!

The Island of Tahiti has a population of over 190,000 people. Pray for this island.

Congratulations to our son, Christopher on his engagement to Abira!

We celebrated our
