

MONTH TWO UPDATE

LATEST NEWS ON MISSIONARY GATEWAY CENTER

WHAT ARE YOU DOING?

Month two is in the books! This month, we continued out training classes, prepared for two weeks of travel, and participated in several different services all over the DR, including one youth and one children's service. Over this month, we saw four baptized, at least ten receive the Holy Ghost, and many miracles. God is still moving

TRINIDAD & TOBAGO

As part of our training, the group traveled to Trinidad and Tobago for one week to serve there in various capacities. While we were there we saw two baptisms in the ocean, six received the Holy Ghost and there were nine miracles of healing. We were privileged to see the beauty of the island, and I was able to serve in a kid's crusade that week.

HOW YOU CAN SUPPORT

I am so thankful for all of the prayers and support, but I am not done yet! We have a few more weeks left, including classes and travel. Please continue to pray with me for:

- Traveling mercies
- Classes
- That God would be with us as the summer comes to a close
