

# Arrival INDIAN OCEAN ISLANDS

## Continue with us in prayer as we continue in ministry

Please continue to pray with us—for safe travels, for God to pour out His Spirit and fill hungry hearts, and for wisdom and strength as we navigate the changes and challenges that come with serving in new and foreign countries. We are trusting God to lead every step and to open doors for His kingdom to grow.

We arrived safely in the Indian Ocean islands on June 6th, beginning our time in the beautiful island of Réunion. From the moment we landed, we've felt the hand of God moving in a powerful way. Our time here has been filled with ministry, connection, and growth. During the conference held earlier this month, we rejoiced as two people received the Holy Ghost—an unmistakable sign that God is working in hearts across this region. In addition, two individuals were baptized in the name of Jesus at the Petite-Île church, marking a life-changing commitment to follow Christ.

We are preparing to continue this journey as we fly to Madagascar on July 4th. As we move forward, we are asking for your continued prayers—covering our travels, our family, and the work being done in these islands. We feel so honored to be a small part of what God is doing here. These early victories are just the beginning, and we believe even greater things are ahead. Thank you for standing with us in faith and prayer as the gospel continues to reach hearts in the Indian Ocean.
