BIBLE SCHOOL: PLANNING PHASE II PENTECOST SUNDAY

BIBLE SCHOOL SITE

The front gate and metal fence are installed. What remains to be done is to install the back gate of the property, as well as install razor wire.

We are preparing for the project's next phase, building the foundation. If you would like to be part of this project, please reach out to Sister Karen Poole (poole4missions@gmail.com).

PENTECOST SUNDAY

We were in Peka for Pentecost Sunday. Although we have visited with the Pastor and his family a few times this past year, it has been almost one year since we last attended a church

service in this area. The people of God were very happy to see us and to hear what God is doing elsewhere in the country.

We are thankful for the move of God in the service.

THANK YOU FOR YOUR SUPPORT

Your support plays a **vital role** in advancing God's work here in Lesotho. We're so grateful for your faithful prayers, encouragement, and giving—it truly makes a difference.

May the Lord bless you abundantly, strengthen you each day, and meet all your needs according to His glorious riches. May His peace fill your heart—in Jesus' Name!
