YOUTH SUNDAY: VACOAS CHURCH

At the beginning of June, John joined the church of Vacoas for their Youth Sunday! For this special Sunday all the aspects of the service were led and organized by the youth! John preached about giving our questions to God and putting our full faith in Him. It was a great time of exaltation and refilling in the presence of Our Mighty God.

LADIES MEETING

Then Lexi was excited to join the ladies of our national church for a time of fellowship. They gave personal testimonies of the hand of God in their lives, discussed future plans for the year, and Lexi gave a word about the power in Jesus name!

INDIAN OCEAN ISLANDS

PENTECOST SUNDAY

We experienced revival fire on Pentecost Sunday as all the churches of Mauritius gathered together for a joint service. We are excited to report that two people received the gift of the Holy Ghost and three were baptized in Jesus name!

John and Lexi shared a short word and Lexi sang a familiar, but powerful song in english, "I Speak Jesus". God's hand was evident upon the service as we witnessed a great outpouring of His spirit.

EAST AFRICA SUB-REGIONAL CONFERENCE

Due to our limited visa time here we headed out of the country to spend time with our brothers and sisters from mainland Africa. We had pastors, national leadership, and ministers from East Africa join together to learn about continuing to grow our churches. We were blessed to be taught by Brother Tim Massengale from Indiana who gave us resources and instructions on increasing the size of our churches. Along the way we made some new friends and connected with other short term missionaries embarking on their own journey to fulfill His will in their lives. We were thankful for the opportunity to attend and be poured into.

SUNDAY SERVICE

To end the month off, John preached in our main church about Hungering after God and being satisfied by God and not settling for the things this world has to offer. We witnessed a powerful move of the Holy Spirit and we proclaimed victory over every situation in our lives. One person was baptized in Jesus name! The church members were encouraged to share their testimonies out in their everyday lives as we continue to see God drawing more and more people to Him.
