

JULY '25 AIM NEWSLETTER

Olivia Waters - Finland

To everyone who supported me financially, in prayer, or in encouragement - I am so grateful for you. At the core of it all though, I am so thankful to God. He has confirmed my calling in so many ways this summer, and it has been my privilege to follow His voice and say 'yes' to His direction. I have enjoyed being able to serve in every capacity - whether standing behind the pulpit to preach or working behind the scenes to help prepare the building for services. It has been such a blessing to serve with the AIM program, and I cannot wait to see where God leads me next!

As of July 15, my time in Finland has come to an end for now. With this road ending, I am confident that God will continue to lead me down the paths that He desires me to follow, but this time with more growth, experience, and trust in His plan. I will forever be thankful for all that I have been taught in Finland with the Alphins. Above all, I have learned with them that the Lord has and will continue to qualify me for the calling that He has placed on my life. I am so beyond thankful for this AIM trip - for all the people I have met, the opportunities that I have been given, and for all of the ways that I have seen God move.

Until next time, Finland!
