

Wilber family's Mission Uruguay JUNE NEWSLETTER

SERVE

We've been helping clean and organize the Bible school to keep it well-maintained and ready for use. We also assist the missionaries with social media and any other tasks that may arise.

MINISTER

We've been actively ministering through preaching, leading worship, and serving in kids ministry. It's been a joy to share God's love across all ages and help strengthen the local churches.

FELLOWSHIP

We've experienced incredible warmth and fellowship while ministering alongside fellow AIMers and the nationals. The unity, shared purpose, and genuine love have made this journey both beautiful and deeply meaningful.
