

JUNE 2025

AIM NEWSLETTER

URUGUAY

Greetings in Jesus Name!

June was another great month here in Uruguay filled with various events! We had a ladies confraternidad, mens confraternidad, special evangelism events, childrens activities and more! I have continued to interim pastor the church in San Jose called La Comunidad de Fe (LCF) where we have sought God's presence together. I am thankful to be able to preach, sing, organize kids activities and more at LCF. I have also just recently received my local ministers license with the UPCI! Praise God!

I am looking forward to this next month as we will be hosting AYC Uruguay here (July 5th to 15th) and I am believing many lives will be touched during these 10 days! As well, I will continue to interim pastor and meet various needs in Uruguay.

As of right now, I am trying to raise the funds to extend my AIM term and move up to AMP. Please consider being a partner in missions or making a donation towards my extension. This will help me continue to interim pastor and continue to advance the kingdom here in Uruguay. I am thnakful for your prayers and partnership! -Fiona Wray
