

# July 2025

## *Amber Allen AlMer to Dominican Republic*

July, what a month of traveling it has been!

The MGC (Missionary Gateway Center) had the opportunity to travel to Trinidad and Tobago. Our group was able to participate in marriage seminars and children services. We continued with our MGC classes and even had a 4th of July party in Trinidad.

In July we were blessed to have Bro. Poitras and the Harrod family with us in the DR for MGC classes and our weekly missionary check-ins.

We traveled to Santo Domingo for Youth Camp. Later that month we traveled once again to Santo Domingo for special services with Bro. Stevenson then we drove north to Bani for two Sunday services.

July ended with us completing language classes! During July we have seen over 30 receive the Holy Ghost, 3 baptized and 9 healed. It is so exciting to see lives being changed by the power of Jesus Christ here in the CAC region!
