## Night Services

One of the exciting services we attended this month was a late-night service hosted by the church of San Domingo. There was great excitement for this service with multiple pastors driving several hours to attend. Beginning at 9 PM, the service went well into the night with multiple pastors preaching and several altar calls.

The atmosphere of praise in this service was incredible. We were so blessed to be a part of it.

# Conference

The Sacatepequez regional conference was a great success. We had over 2000 people in attendance. The presence of God came strongly over the room, and many people in attendance were filled or refilled with the Holy Ghost. We believe that there is revival in Guatemala, and this is a testament to the momentum within the churches and their people.

# Fellowship

We are so thankful for the fellowship of the other laborers in the country of Guatemala, such as fellow AIMers Sis. Sylvia and Sis. Tiffany. They are truly wonderful to work with, and we are thankful for their service to the kingdom of God.

We are thankful to be in fellowship with the wonderful families of Guatemala. This past week, we were able to have several families in our home. In which we had conversations, witnessed about God, and ended in prayer.
