

## Praise Reports

- My friend, Mr. John- visiting UPCR
- 3 Day VBS- God Made Everything- fruitful completion and children feeling the presence of God!

## Promotion Day at DayStar Primary School

We joined together this month to celebrate our Nursery 3 and Primary 6 learners in their promotion! We rejoiced in a year filled with hard work, discovery, and shared achievement. From the small hands learning to write their very first letters, to the confident young leaders preparing for secondary school—this moment reminded us just how far we've come, together. This year has been a powerful reflection of what we can achieve through teamwork—led by our dedicated administration, talented teachers, supportive families, and caring community. We planted seeds of knowledge, nurtured them with love, discipline, and encouragement, and we witnessed the joyful harvest. From every poem recited, every skit performed, to each traditional dance shared—we've celebrated with full hearts. Our learners have shown us creativity, courage, and growth. Now, they move forward—toward bigger dreams and greater adventures. Congratulations to all our learners—you have truly made us proud!

## Prayer Requests

- Bible Studies Opportunities
- DayStar Primary School Year 2025-2026
- Children's and Youth Sunday School Classes- growth and outpouring of the Holy Ghost
- Upcoming Baptisms

## God Made Everything! VBS

This was UPCRwanda's first Vacation Bible School! "God Made Everything" was our theme and shared the powerful reminder that each child is uniquely created with a divine purpose. We began with 60 students and grew to 80 in just three days, a beautiful sign of God's drawing power and the hunger of our students! Through many song, Bible lessons, and activity pages, students discovered that they are loved, seen, and saved through Jesus Christ. We celebrate the moments of deeper prayer and questions about faith, and we saw genuine spiritual growth take root! We're grateful to every teacher, and helper, who helped make this week a joyful, life-changing experience!
