THE SEARCH FOR TRUTH!

We are very happy to say that we are still having the weekly Bible Study with Luu. Jonathan is working through the search for truth Bible study every Wednesday night. The last one we had, it was on sin and Luu started crying during the Bible Study and they ended it with a prayer of repentance. There is so much power walking through the Word of God! We know there is a foundation being developed in Luu's life and we are claiming and believing in Jesus name that he will receive the beautiful gift of the Holy Ghost! We already have it planned, that when we get to Northern Macedonia (for 90 days) that we will do the Bible study via zoom.

LEARNING BULGARIAN/AND PRAYER!

Jonathan is taking level two in Bulgarian twice a week. God is helping him and he is able to communicate better and we are claiming that God will continue to help him and the rest of us to learn and communicate in Bulgarian. When we try to communicate with the Bulgarians in there language, we see some of the walls they have up fall down. It is vital that we learn this language!

Last Sunday we met the Drapers (Sister Draper translated for Bro. Bernard in the 80's) at their house for prayer and fellowship. They are still hanging onto the one God message!! We had a wonderful time of fellowship and prayer! God is working! We are praying everywhere we go that there will be freedom from traditional barriers! We are praying for God to lead us to the hungry. There is a harvest in Bulgaria!
