

# Monthly Report Field

**Missionarys:** Joel and Ashley Castillo

Pentecostal of Gilford – Northern Ireland

Month: july 2025

## Kingdom Progress Update

We are thrilled to report that our congregation is growing! During the week of July 21st, our attendance reached 30 members. Just a couple of weeks earlier, on the week of July 4th, we celebrated Independence Day with a special service that brought together 25 attendees. This upward trend in participation is a clear sign that God is doing His work among us. We give Him all the glory for every soul He is drawing to His house.

This past month has been a season of growth, unity, and spiritual preparation at Pentecostal of Gilford. We have seen the hand of God move powerfully among the saints as we continue to press toward the vision God has placed before us.

### 1. A Church That Builds Together

One of the highlights of this month was the full-church participation in renovating our Sunday School room. With hearts full of joy and hands ready to work, saints of all ages came together to create a more welcoming and functional space for our children. This renovation

is more than a physical change—it reflects our commitment to invest in the next generation of Apostolic believers.

## 2. Preparing the Atmosphere for Harvest

# ***Bible Study, preaching game night and Praying for other.***

PIC•COLLAGE

In anticipation of the spiritual harvest, we've begun upgrading our music ministry equipment and training our team. We believe that excellence in worship sets the stage for the Word to go forth in power. These upgrades are already making a difference in our services, as the presence of God continues to fill the sanctuary each week.

### 3. Declaring the Gospel Without Fear

We remain focused on boldly proclaiming the gospel of Jesus Christ to our local community. Whether through street outreach, personal Bible studies, or preaching from the pulpit, we are declaring the message of repentance, baptism in Jesus' name, and the infilling of the Holy Ghost. Lives are being touched, and God is stirring hearts in Gilford.

#### Looking Ahead

We are praying for a continued harvest, divine connections, and open doors throughout the region. Thank you for your faithful support and prayers. Together, we are expanding the Kingdom of God in Northern Ireland.

In His Service,

Rev. Joel Castillo
