

Greetings in Jesus' Name,

July marks our fifth month in Aberdeen and we have just one month to go! God has been so faithful. A young man that I connected with and taught a Bible study to recently received the baptism of the Holy Ghost after a study, and I have the privilege of baptizing him in Jesus' name this week!

We've moved our Starbucks Bible study into our flat, and every Wednesday night we gather to study Exploring God's Word. It has been amazing to watch people become connected, hungry, and growing in the Lord.

One highlight of this past month was a worship event we held at a historic church in the city center. A big thank-you to Bishop Kelley, who generously covered the rental cost so we could gather and proclaim the name of Jesus in the heart of Aberdeen. Around 60 people attended, and about 20 of those were individuals who came in off the street after hearing the sound of praise and worship. From that event, we've made some valuable contacts that we're following up on such an encouraging step forward!

MONTH OF JULY

We continue to stay in touch with the church group we've connected with here. We're not sure where things will go or if they will obey the full message of Jesus' name baptism, but as the Word says, love hopes all things. We love them deeply and will continue to pray and believe, even after we leave.

It's bittersweet as our time in Aberdeen draws to a close, but our hearts are full of expectation for the next step and ultimately the establishment of a strong, apostolic church in this city.

God be praised in Aberdeen, Scotland!

With love,
The Cletheroes
