GREETINGS IN JESUS NAME!

THE CHILDREN

We prayed for children...
and the Lord brought
children!

CHURCH NEWS...

We Prayed.. The Lord Answered!

It has been our prayer since arriving here in St. Kitts to build a Sunday School Program for the children. We saw it as a great need in the church. For the House of God to be filled with young children and youth of all ages, would be incredible for our families, church and the community!

We started praying for the Lord to send us children here at UPC Taylor's Range. And not just praying alone but we started speaking it out in our services. Thanking God for them! Speaking in Faith and having hope, that one day soon, God would send the children! And God did just that on a Friday night!

On our last Friday night Family & Friends Fellowship event, as we was going into the church to set up, 5 young children came running up to us from across the street! They were happy little children! They was allowed by their guardian to stay for our event. They had food, juice, and cake with us! Also, we enjoyed playing and singing songs with them. Afterwards, we played a few games and they went home with snacks and gifts! God is good!! We are praying and believing they are going to be the start of our new Sunday School Program! In Jesus Name!

FRIDAY NIGHT FAMILY & FRIENDS FELLOWSHIP

Another successful Friday night Fellowship event in the books! Sadly, this was our last one before we depart back to the states. We always have a great time enjoying one another, awesome food, games, gifts, lots of laughter and this event... lots of children!

The children outnumbered the adults! We thank God for all His many Blessings here in St. Kitts!
