

July

POSTCARD

Saludos,

It has been our busiest month yet! From traveling to the beautiful country of Trinidad & Tobago to attending the DR Youth Camp, Christmas in July, a Regional Conference, and saying goodbye to our first MGCer, we have been blessed this month to experience many beautiful moments. It has been our favorite month by far, and we can't wait to see what August holds. ¡Dios les bendiga!

Santiago De Los Caballeros,
Dominican Republic

FROM: Samuel & McKenna Haslett

prayer request

In August, we will both be traveling to different countries for Holy Ghost crusades. Continue to pray over our family as we minister across the CAC.

spanish phrase

Servimos a un gran Dios.

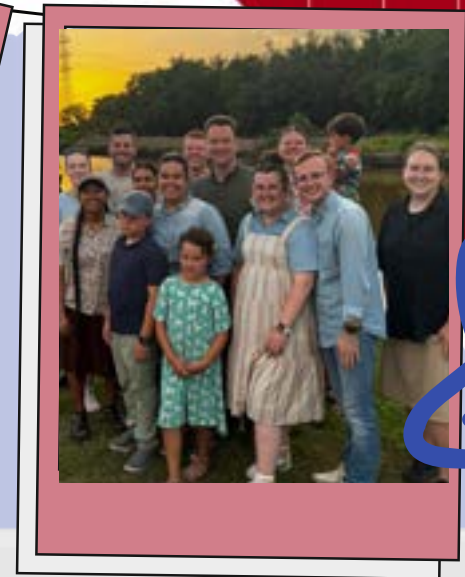

We serve a great God.

How to get involved

Trinidad & Tobago

July 1st - July 7th: We visited Trinidad and Tobago, where we helped with a children's crusade and a marriage seminar. We also went to a Venezuelan refugee church and saw two filled with the Holy Ghost! Trinidad is unlike most countries within the CAR because of its heavy Afro-Indian influence.

July 11th - July 13th: We attended Youth Camp! This was probably one of our favorite experiences in the country. Seeing how hungry these young people are makes the Dominican Republic's future so much brighter!

July 18th - July 22nd: Samuel's parents came to visit us! We had such a wonderful time showing them all the beauty of this country!

July 24th: We helped Bro. Schreckhise put together more Bible school books for the upcoming semester.

July 26th - July 27th: We attended the Regional Conference 1B and visited two churches in Region 7.

We got up early to drive out to the very bottom of Trinidad. You could see Venezuela on the horizon. Our group held a small service for the people there. A Pastor from Trinidad has been going out to this small village faithfully, trying to bring the Gospel to these people. During the altar call, two women received the Holy Ghost and after were baptized. This is probably one of our favorite experiences so far. God is moving and working!
