

MISSION UPDATE

THE MCGEE FAMILY

JULY 2025

BARCELONA

During the month of July, we were involved in a variety of activities in Barcelona and elsewhere in Catalunya. I had the honor of preaching a Tagalog service at IPC where one lady was baptized in the name of Jesus! Jaecob and Yari attended a youth convention in the nearby city of Martorell, while I worked on projects for the church. I continued to be involved with life groups (I taught one in Spanish!), participated in a prayer walk through Sant Boi, and spoke at Mujeres de Fe, a ladies event hosted by IPC.

ANDORRA

We spent a day in beautiful Andorra, a small, mountainous country on the border between Spain and France. Currently, the church there can only have service about once a month and the RKR team was asked to cover the July service. I played the keyboard and led the praise team. Bro Josh Aguilera preached an excellent message. Such a sweet presence of the Lord filled that hotel conference room. The people there are so hungry for God and long to hear the Word preached more frequently. Please pray for Andorra!

Thank you for your support! Please continue covering us in prayer!
