

Brittany Stecker August Newsletter Guinea, Africa

My first week was full of new adventures and experience. I connected with one of the Pastors wife, Mama Natasha. She made me feel so welcomed at my first service

I had the opportunity to teach Sunday School in one of the churches. The children were so excited and had lots of questions following our lesson. I taught myself to sing "Yes Jesus loves me" The children loved it. I am looking forward to our future Sunday School classes!

Oui Jésus m'aime, la Bible me le dit

I had the honor to be apart of the AYC trip this month. We traveled to 5 churches and were involved in outreach, services at the churches and in a serve day where we prepared bags to feed 300 families.

It was so wonderful watching the children get involved in the services. They were so excited to join in worship and so eager to pray. They carried such a true hunger for the Lord. I made a little worship buddy in one of the services. He worshiped the Lord with all he had in him, it was beautiful.

In our services we have had people delivered from evil spirit, be filled with the Holy Ghost, be baptized in Jesus name and receive healing.

We have opportunities to do some exploring and saw a beautiful waterfall. The bus ride was bumpy but the view was worth it.

It has been such a honor to be in Guniea working with the Blackmons family. I am looking forward to what the Lord is doing in Guniea
